

Passive UHF HangTag

Long-Range RFID UHF Tag

The Passive UHF HangTag allows for convenient, handsfree vehicle access. This tag doubles as a parking pass and an easy-identifier for lot monitors or security guards.

Tag design can be customized to meet customer preferences. Multiple color design options offer each customer a unique tag style for their installation or multiple designs to identify different parking categories. Other options include barcode and human-readable equivalent numbers to allow for automated processing and easy card issuance to end users.

Mounting Solution

Ideal for applications requiring visual identification or longrange identification, TagMaster NA's Passive UHF HangTags are easily mounted from a vehicle's rearview mirror making quick-access easy and hands-free.

KEY FEATURES:

- Battery-free
- Consistent detection range up to 25 ft*
- Operating frequency of 860-960MHz
- EPC compliant UHF Class 1 Gen 2
- Barcodes and human-readable equivalents
- Reliable performance
- Multiple color, custom design, and logo options available

Long-Range Identification

The Passive UHF HangTag can be identified at up to 25 ft* using a TagMaster NA UHF RFID Reader. TagMaster NA's UHF tags are battery- and maintenance-free, enabling quick, reliable, hands-free access.

Applications

The Passive UHF HangTag is designed for long-range applications such as:

- Gated communities
- Airport parking & ground transportation management systems (GTMS)
- University and hospital parking
- Commercial and corporate parking areas
- Commercial vehicle management systems (CVM)

Passive UHF HangTag

Long-Range RFID UHF Tag

SPECIFICATIONS

Technical Information Part No. NA1100	Passive UHF HangTag
Detection Range	Up to 25 ft*
Operating Frequency	860 to 960 MHz
Operating Temperature	-13°F (-25°C) to +175°F (+79.4°C)
Dimensions	3.5 in x 6.5 in x 0.026 in
Color	Red or White background
Encapsulation	Laminated thick polyester
Label Copy	Block type, stylized type, logos, custom designs
Compatible Readers	XT-5, Product No. 152900
	XT-1, Product No. 152600
	XT-Mini, Product No. 152400
Serialization	Barcodes
Minimum Order Quantities	100 standard / 1,000 customized per tag type

^{*}Depends on Reader type and settings
